Special Discount for 2024

Introductory offer

With the introduction of the new Community Services Courses. Austral College has applied an introductory offer for **2024**. The original course fee was \$7,500, but for anyone who enrolls into a full qualification in **2024** the cost will be discounted to only \$5,200. Saving you a whopping \$2,300.

The total course fee is now \$5,200. We have set up an affordable payment plan of just \$50 per week and this payment plan will continue for 2 years.

If the student is unable to complete the course within the 2 year timeframe, the discount will no longer apply and the total of the course fee will return to the original fee of \$7,500 and the weekly payments will continue until the full amount is paid.

If the student is unable to complete the course in 3 years, unfortunately the student will be withdrawn from the course.
